

THE ANIMALS GREATEST HITS SHOW

A tribute to THE ANIMALS

Performed by the band

ANIMAL TRACKS

Featuring previous members of THE ANIMALS and ANIMALS II

The Animals were one of the most iconic British bands to chart on both sides of the Atlantic and all around the world during the 1960's. In the USA they became part of the 'British Invasion' alongside other legendary British bands such as The Rolling Stones and The Beatles.

Hailing from Newcastle upon Tyne in the UK, which was the original home town of The Animals, this all-star heritage band can follow its tracks back to the original 1960's Animals band with a line up that features previous members of The Animals and Animals II.

This 100% live show will take you back in time to the 1960's when the band was topping the charts with such legendary hit songs as:

House of the Rising Sun - Bring it on Home to Me - It's My Life
Please Don't Let Me Be Misunderstood - Don't Bring Me Down
We've Gotta Get out of This Place ... and many more.
